Re: Freedom of Information Act Request No: EPA-HQ-2015-007875

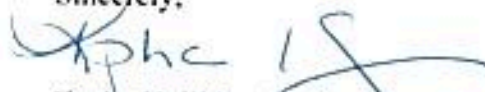

Dear Mr. Embler,

This letter is to respond to your request for copies of each Standard Form LLL filed between February 1, 2015 and March 31, 2015 with the Office of Chemical Safety and Pollution Prevention. We did a search for grants that were awarded during that time period and have attached the list in the FOIA system response. There were 8 awards in total. There are 7 LLL Forms loaded into the response. The first award 00D14113 to Region 4 does not require this form since the amount of the award was \$45,000, which is lower than the \$100,000 threshold for a required lobbying form, the Lobbying restriction is included in the terms and conditions of the grant instead.

You may appeal this response to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460 (U.S. Postal Service Only), FAX: (202) 566-2147, E-mail: [hq.foia@epa.gov](mailto:hq.foia@epa.gov). Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20001. Your appeal must be made in writing and submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the FOI number listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

Please contact Ellen O'Boyle of my staff if you have any questions at (202) 564-5326.

Sincerely,

  
Kysha Holliday, Acting Director  
National Policy, Training  
and Compliance Division
